

# RUCA MALEN

## CAPÍTULO DOS

CABERNET SAUVIGNON

2021

*Capítulo Dos is an invitation to discover different varieties that reveal the diversity of the world of wine. It's about challenging our senses with vibrant wines that present new expressions, aromas and textures.*

· VARIETAL

100% Cabernet Sauvignon.

· APPELLATION

Luján de Cuyo & Uco Valley, Mendoza.

· VINEYARD

Grapes from different regions in the Uco Valley and Luján de Cuyo, where each vineyard provides different characteristics. With soils of alluvial origin, deep and poor in organic matter.

· WINEMAKING

Hand harvested and manual selection in the vineyard and winery. Each component is vinified separately in concrete pools and stainless steel tanks. A cold maceration happens for the first few days, to extract more colour, and then the juice is fermented at controlled temperatures, carrying out gentle extraction movements to obtain more texture, elegance and good balance. 60% is aged in stainless steel tanks, and 40% in French oak barrels for 12 months.

TASTING NOTES

Deep red in colour. This wine presents vibrant aromas of blue and red fruits that are complemented by spicy notes such as cracked black pepper. Juicy and energetic on the palate, medium body, with a textured and persistent finish.
